Proper Winter Clothing

Students must have gloves/mittens, hats (helmets recommended), winter jackets, and snow pants. Dressing properly with layers is important. Glove protectors are recommended for tow rope use and are available for purchase at the front desk.

Weather Conditions

If there is no school due to weather, you will need to call the ski area to find out if there will be class. Generally we do not cancel lessons because of weather conditions. If a class is canceled, it will be made up at the end of the classes if weather permits. Classes canceled due to the weather will not be refunded. All attempts will be made by the ski area to get the full five weeks of classes.

Cancellation Policy

There will be a full refund if canceled 14 days prior to student's first ski or board class. If the student skis or boards the first week and does not wish to continue the program, there will be a refund of \$25 for skiers and \$30 for boarders. There will not be any refunds given after the first week of lessons.

Make-Ups

For whatever reason, if you have to miss a day, unfortunately there will be no option to make up that day.
