I understand that skiing and snowboarding involve inherent risks and dangers, including but not limited to: changing weather conditions, changes in terrain, boarding, riding and disembarking lifts, variable snow conditions, collisions with others or with manmade or natural objects, the presence of snow making or grooming equipment and unmarked natural and unnatural hazards which may lead to personal injuries, including brain damage, paralysis and death.

I understand that a helmet designed for use in snow sports may help reduce the risk of some injuries. I recognize that injury or death can result from low or high energy impacts, even when a helmet is worn. **I understand that a binding system cannot guarantee the user's safety.** I understand that release bindings will not release at all times or under all circumstances where release may prevent injury or death, nor is it possible to predict every situation in which they will release. I understand that snowboards have bindings that are not designed to release as a result of forces generated during ordinary operation.

I agree on behalf of the Minor to accept all equipment provided for use during Group Outings **AS IS**. I agree to accept full financial responsibility for the care of the equipment while it is in the Minor's possession. I agree to be responsible for the replacement at full value of any equipment provided under this form, but not returned to the rental facility or for that returned in unusable condition. I agree all rental equipment will be returned clean, by the agreed date. I agree that either I, or an authorized designee, will execute the rental information. All user information with respect to height, weight, age and skier/snowboarder ability provided will be true and accurate.

In consideration of the Minor being allowed to participate in Group Outing activities, I expressly assume and accept any and all risks and dangers associated with the Minor's participation in Group Outing activities and/or which relates in any way to the use of the equipment issued to the user. In further consideration, I agree to **Release, Hold Harmless, Indemnify and Defend** Snow Snake Mountain, Inc., its employees, owners and agents and the manufacturers and distributors of the equipment and their successors in interest (collectively "the Providers") from and against any and all claims, or suits, including claims or suits brought by the Minor, including but not limited to: allegations of negligence, including the negligence of the Providers, breach of contract, breach of any statutory duty or other duty of care and breach of express or implied warranty. I further agree to **Indemnify, Hold Harmless and Defend** the Providers from any and all costs or expenses, without limitation, which the Providers sustain as a result of, related to, or alleged to be related to the Minor's participation in Group Outing activities or other activities available on Snow Snake Mountain, Inc. premises.

This Agreement is governed by the laws of the State of Michigan. If any part of this Agreement is found to be unenforceable all other parts shall remain in full force and effect.

I HAVE READ AND UNDERSTAND THIS IS A CONTINUING RENTAL AGREEMENT & LIABILITY RELEASE. I AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT AND I VOLUNTARILY SIGN THIS DOCUMENT WITHOUT RESERVATIONS.
